

National Program for the Promotion of Access to the World of Work (Acessuas Trabalho)

Thematic areas	Access to work, social development, productive inclusion.
Summary	This program is aimed at the productive inclusion of Unified Social Assistance System (SUAS) users through identification and attendance of their needs.
General Objective	To promote productive inclusion of SUAS users.
Specific Objectives	<ul style="list-style-type: none"> » To provide orientation to SUAS users regarding the labor market. » To enable the identification of labor potential. » To facilitate access to rights and services. » To monitor the work trajectory of SUAS users.
First year of the program	2012
Responsible Institution	Ministry of Social Development (MDS)
Other Related Institutions	State, municipal and Federal District governments. Private entities registered in municipal or Federal District's social assistance councils.
Management and Implementation	<p>The program is executed through the transfer of funds made from the National Social Assistance Fund directly to Municipal Social Assistance Funds. Every year, municipalities hire reference teams responsible for implementing actions. Actions may be executed indirectly by social assistance entities enrolled in municipal or Federal District councils.</p> <p>Actions are divided into four areas: (1) user identification and awareness raising, (2) individual skills development and orientation regarding labor market, (3) access to opportunities, and (4) monitoring users' work trajectory.</p> <p>Municipalities are accountable to the Union and if resources are not used in one year, they must be reprogrammed.</p>
Target Audience	People between 14 and 59 years of age who face social vulnerability and risk. Priority is given to beneficiaries of cash transfers programs, users of social assistance services, disabled and homeless people, forced laborers, victims of domestic violence, former inmates, people living in risk areas, families with persons deprived of liberty or with child laborers, adolescents and young people who serve socio-educational measures, victims of sexual exploitation, and people living in provisional sheltering as well as traditional communities and peoples and LGBTT population.

Criteria for defining the target audience People in socially vulnerable situation aged between 14 and 59 who are interested in participating in the program.

Coverage National, with 1,556 municipalities and the Federal District included.

Financing Federal budget funds linked to the MDS.
