

## Bolsa Família Program (PBF)

<b>Thematic area</b>	Cash transfer.
<b>Summary</b>	Direct cash transfer program to families in poverty and extreme poverty with conditionalities in the areas of health and education.
<b>General objective</b>	Reduce poverty and extreme poverty through cash transfers to families and access to basic health and education services.
<b>Specific objectives</b>	<ul style="list-style-type: none"> <li>» To provide immediate poverty relief through cash transfers;</li> <li>» To promote social inclusion and improve the living conditions of families in poverty and extreme poverty;</li> <li>» To strengthen access to social rights in health, education and social assistance with a view to interrupting the intergenerational reproductive cycle of poverty;</li> <li>» To develop complementary actions aimed at generating employment and income.</li> </ul>
<b>Start Year</b>	2003.
<b>Key stakeholders</b>	Ministry of Social Development (MDS) – National Secretariat of Citizenship Income (Senarc).
<b>Other Stakeholders</b>	<ul style="list-style-type: none"> <li>» Municipal, State and the Federal District governments;</li> <li>» Ministry of Education;</li> <li>» Ministry of Health;</li> <li>» National Social Assistance Secretariat (SNAS/MDS);</li> <li>» <i>Caixa Econômica Federal</i> (CEF).</li> </ul>
<b>Management and implementation</b>	<p>Shared and decentralized management, with specific responsibilities for Federal, State, Municipal and Federal District government bodies. The benefit is available monthly for each family through the use of a magnetic card, which is personal and non-transferable.</p> <p>To receive the benefit, the family must be registered in the Unified Registry for Social Programs, meet the required socioeconomic profile, and comply with the education (school enrollment) and health (vaccination and prenatal care) conditionalities.</p>
<b>Target audience</b>	Families living in extreme poverty (those with family incomes equal to or less than R\$ 85.00 per person) and families in poverty (per capita family income between R\$ 85.01 and R\$ 170.00).
<b>Target Audience Selection Criteria</b>	Monthly per capita family income and family composition (if there are children, teenagers, pregnant women or nursing mothers).
<b>Scope</b>	National (100% of the municipalities and states have joined the PBF).
<b>Sources of Funding</b>	Federal budgetary resources.
